3. Review details for Aug 15

- a. **Locations** – The committee reviewed with Noah Lis to location for the sound stage. It will be positioned far enough away from the outfield fence of Field #3 to allow vehicles to pass behind for loading purposes and for locating the generator. It was decided to locate sponsors' pop-up tents along the same fence starting from the right field line. We will mark locations for the pop-ups and for the food trucks ahead of time.
- b. **Personnel** – Committee members will assist vendors, sponsors, and performers with parking and getting to where they need to be. We anticipate a number of additional volunteers to assist with the Children's activities
- c. **Sponsors' alley, banners** – Sponsor pop-ups will be located on Field #3. Banners will be located primarily on that field's outfield fence and backstop but also along Field #2 fencing
- d. **Tents and tables** – The plan is to have a tent next to the stage for performers along with two tents with tables for attendees: one located between the food trucks and Field #3 and in the area behind the backstop of Field #2.
- e. **Signage** – We will have three 4'x8' sponsor banners around the site along with a banner to identify the Children's Area and the Spartan Stage
