

Somers Cemetery Committee
Special meeting
Thursday February 27, 2025
3 PM Town Hall – Selectman's meeting room

Agenda

1. To consider the notation of Grever & Ward (architect) having the new design area grave sites (section 2) facing the driveway rather than rows running perpendicular to it.

2. To consider an additional expansion from Section 2 of 240 – 250 graves extending from the corner nearest the Estate Plots toward the Columbarium due to losing 243 graves with having an unpaved driveway behind the larger sites and the end of the cemetery.

3. A request of listings for the March regular meeting agenda.

Adjourn:
