

**Town of Somers**  
**Position Opening – Full-Time Maintainer**

The Town of Somers is seeking qualified candidates for a full-time Maintainer position within the Public Works Department.

Under the supervision of the Foreman, the Maintainer performs general maintenance and repair work on town roads, facilities, and grounds. Responsibilities include operating and maintaining trucks and heavy equipment, transporting materials, and assisting with winter plowing and salting operations. This position requires flexibility to work across Public Works divisions and active participation as a team member.

**Compensation**

- Hourly rate: \$25.50 – \$27.00
- \$27.00/hour for candidates with a Class A or B CDL
- Candidates without a Class A or B CDL will start at \$25.50/hour and must obtain one within 18 months, at which time pay will increase accordingly.
- 

**How to Apply**
