This musical highlights the generosity and warmth of the real-life townspeople who welcomed strangers into their homes and hearts. With an amazing score and unforgettable performances, the show has garnered critical acclaim, winning the Tony Award for Best Direction of a Musical and a Grammy Award for Best Musical Theater Album. Its themes of kindness and community remind us of the power of compassion in the face of adversity and the shared humanity that unites us all in times of crisis.

SCAM ALERT

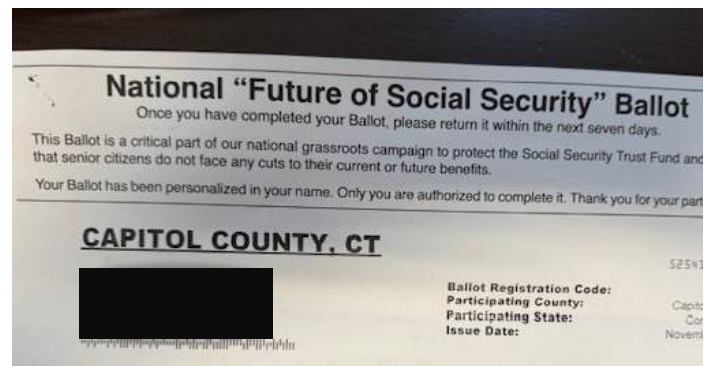

Recently, we learned about a new scam against seniors.

Please be aware of the following:

The Seniors Center is an organization that has been the subject of multiple scam warnings from government bodies and consumer advocacy groups. They use deceptive mailings and messaging tactics to solicit donations, often making false claims about "protecting Social Security benefits". Multiple government entities and advocacy groups have warned people to throw away any mail received from **The Seniors Center** or related entities like **The Seniors Trust**. Please see example below.

Authorities emphasize that this organization has no ability to protect or influence Social Security programs. While the company claims to be a non-profit organization, its materials often state that donations are not tax-deductible, which is a red flag for a legitimate charity. If you receive mail associated with this P.O. Box (P.O. Box 97111 Washington DC 20090) or organization, it is recommended to throw away the solicitation letters immediately. Do not send money or personal information. Never provide credit card or bank account information in response to these solicitations. You can report the fraud or scam to the Federal Trade Commission at reportfraud.ftc.gov or contact your local or state consumer protection office.

THE SOMERS SENIOR CENTER WOULD LIKE TO ACKNOWLEDGE OUR MEMBERS WITH JANUARY BIRTHDAYS!
