

Hello,

On Friday May 22, the Somers Public Works Department in cooperation with Barry Dolby of Mountain Tree Service (<http://www.mountaintreeservice.us/>) removed the bushes that were obscuring the Veterans Memorial in front of Town Hall.

Once that work was complete; a crew from Franks Landscaping of Somers, (<http://frankslandscapedesign.com/>) headed by Frank Ciccarella, spent eight hours installing granite and sod around the monument.

Mike Eldridge of One Way Decorating (<http://www.mikeeldridgedecorating.com/>) then washed the monument.

The sod was donated by Twin State Turf Farm of Somers (860)749-3039.

The Veterans Memorial Monument has been restored and is looking great.

Special thanks to:

Franks Landscaping <http://frankslandscapedesign.com/>

Mountain Tree Service <http://www.mountaintreeservice.us/>

One Way Decorating <http://www.mikeeldridgedecorating.com/>

One thing I forgot to mention;

All of the work done and supplies that were used, was donated by the people and businesses below.

This restoration cost the Town nothing.
